1A long, long time ago  
2There was a volcano  
3Living all alone, in the middle of the sea

\_\_\_ Watching all the couples play  
\_\_\_ He sat high above his bay  
\_\_\_ And wishing that, he had someone too

\_\_\_ Every day, for years and years  
\_\_\_ And from his lava came, this song of hope  
\_\_\_ That he sang out loud

\_\_\_ I wish that the earth, sea, the sky up above  
Will send me someone to lava  
\_\_\_ That you're here with me, and I'm here  
with you  
\_\_\_ I have a dream; I hope will come true

Years of singing all alone, turned his lava into  
stone  
Until, he was on the brink of extinction  
But little did he know, that living in the sea  
below

Another volcano was listening to his song  
Everyday she heard his tune, her lava grew  
and grew  
Because, she believed, his song was meant  
for her

Now she was so ready to meet him above  
the sea  
As he sang his song of hope for the last time

*I have a dream; I hope will come true...  
Rising from the sea below, stood a lovely  
volcano  
Looking all around but she could not see him  
He tried to sing to let her know*

That she was not, there alone  
But with no lava his song was so gone  
He filled the sea, with his tears

And watched his dreams, disappear  
As she, remembered what his song meant to  
her

I have a dream; I hope will come true...

Oh they were so happy  
To finally meet above the sea  
All together now, their lava grew and grew

The longer are they all alone, with aloha as  
their new home  
And when you visit them, this is what they  
sing  
I have a dream; I hope will come true...
