The sky is **white/red** tonight
we're **on/in** the edge tonight
no shooting **star/car** to guide us / we

Eye for an eye
why tear each **other/others** apart
please **tell/say** me why
why do **us/we** make it so **hard/black**
look at **us/we** now
we only got **us/ourselves** to blame
it's such a shame

How many times can we win and spend / lose
how many times can we take / break the rules
between **us/we**
only teardrops
How many times do we have to **wait/fight**
how many times till we get it **right/white**
between **us/we**
only teardrops

So come and **face/help** me now
here **on/in** the stage tonight
let's leave the **dust/past** behind **us/we**

.....
What's gone between **us/we**
has come between **us/we**
only teardrops
