

GAMES

- Each game that is available in Mediateca has an academic purpose; in other words, playing a game will help you to practice one, two, three or the four abilities of the language.

- To evaluate what you learned after playing the game, answer the following test:

1. Which is the name of the game you played? _____

2. Which ability or abilities did you practice?

- a) Writing b) Speaking c) Listening d) Reading

3. How is the game played? _____

4. Who did you play the game with? _____

5. Which linguistic function did you practice?

- a) Vocabulary b) Grammar structure c) Pronunciation

6. Which content did you check with the game? _____

7. Was the game effective to practice the foreign language? _____

8. Will you recommend it to your classmates? Why? _____
