Después de ver la película:

Contesta lo siguiente:

**Match each quote with its most suitable interpretation:*

"When I am bored I feel old"

___ When you are into something interesting you feel energetic and enthusiastic.

___ When you are doing something dull you feel tired and depressed.

"Love is beautiful... in the books"

___ Love doesn't exist in real life.

___ Love stories told in books are beautiful.

"They love each other; maybe they don't need to get married"

___ Marriage is the ideal status for being in love.

___ Marriage is just a social requirement that has nothing to do with love.

"I only speak when I have something to say"

___ If you don't know about the topic is preferable to remain in silent.

___ Giving your opinion about any topic is quite important to you.
